Insightful Dashboard

Real-Time Data Access

Provides information on checkpoints, trip performance, and vehicle status and more.

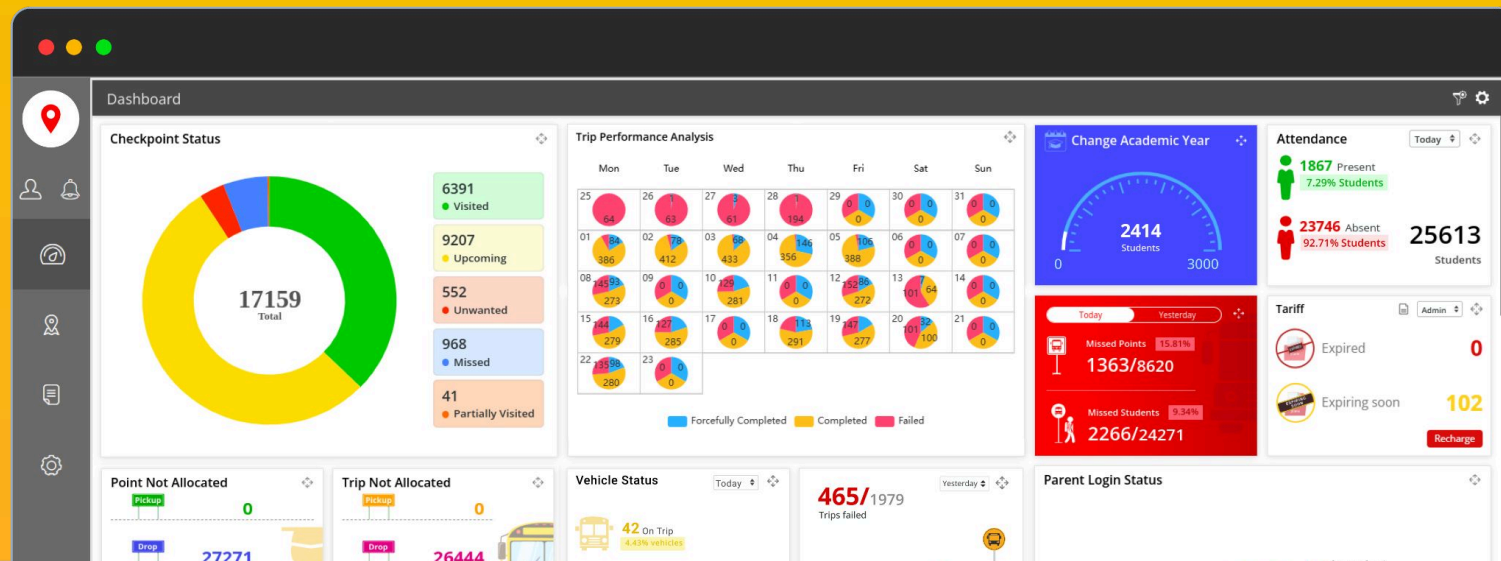

Plan and Schedule Effortlessly

Tracks student attendance and running trip statuses, helping, schedules, and resource allocation.

Quick problem identification

Offers instant alerts for issues like missed stops or failed trips, allowing for quick resolution.

Access All trip Details in One Place!

➤ Trip Status Indicators

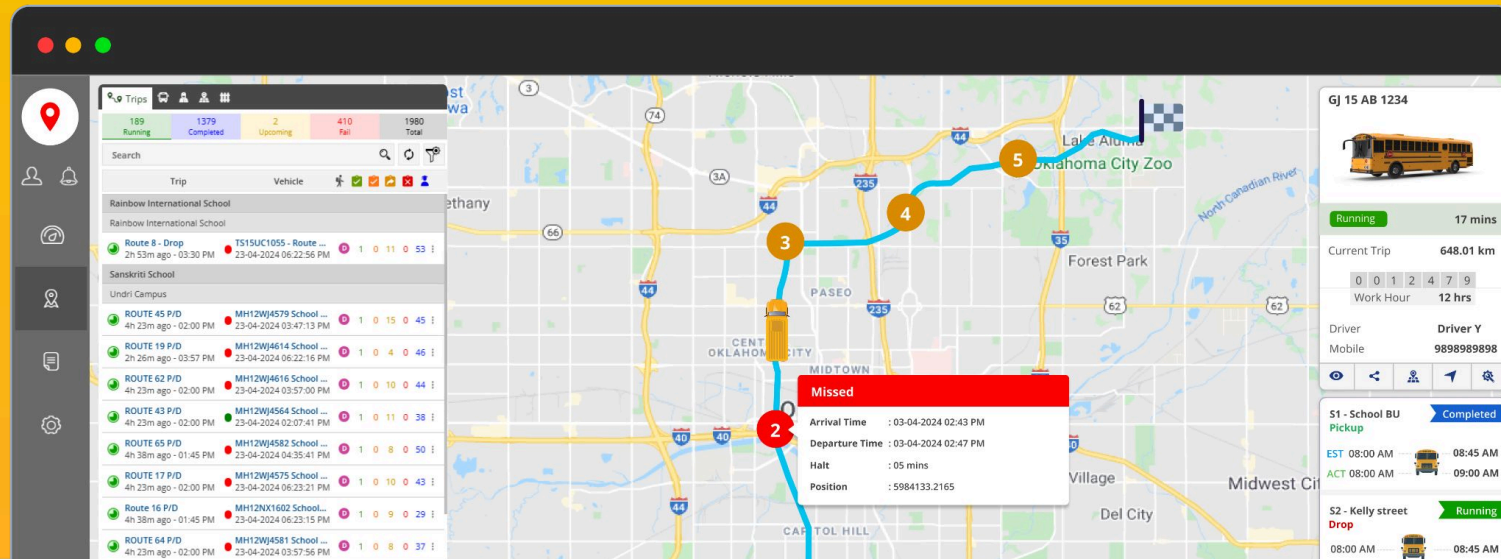

Get clear view on status of each trip to quickly identify which trips need attention.

➤ Alerts Tracking

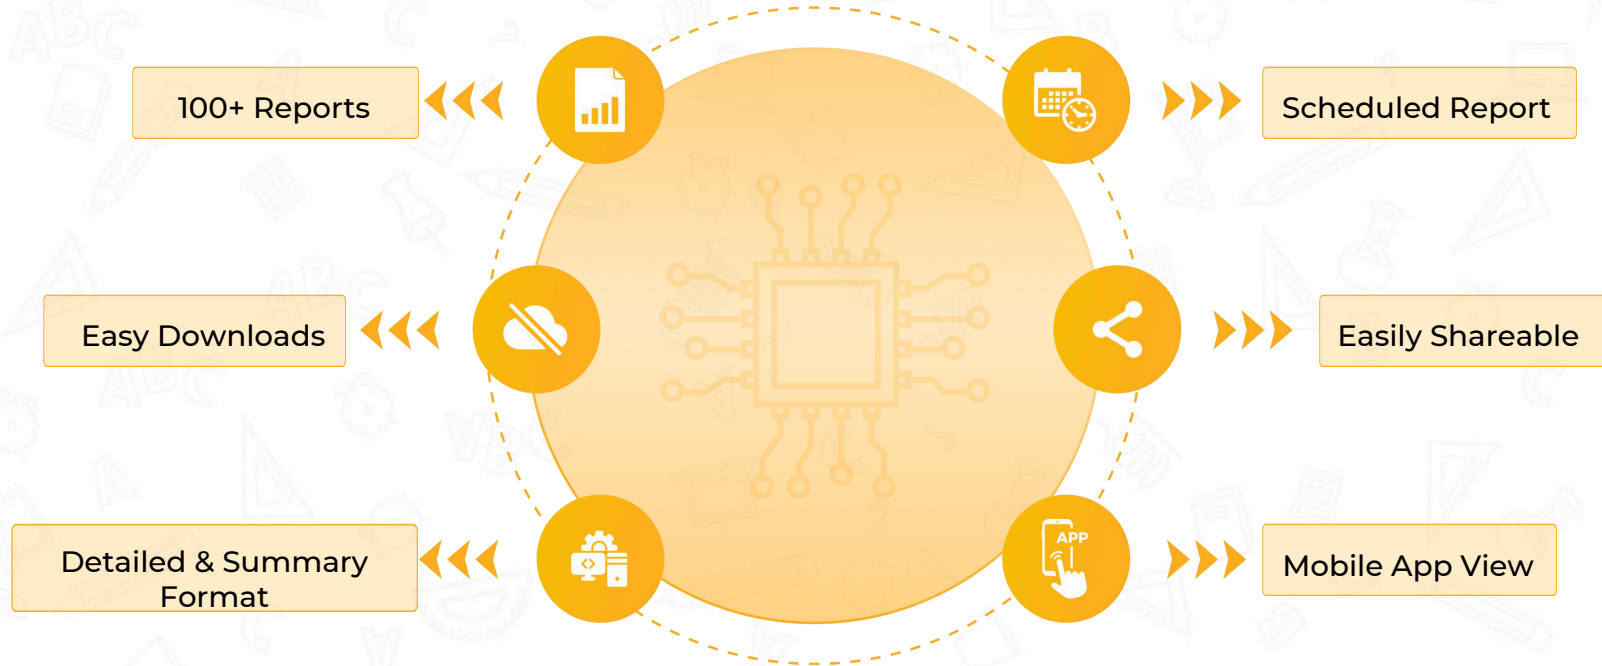

Get number of alerts for each trip to identify recurring issues.

➤ Actionable Insights

The ability to view past trip data and performance helps in planning and improving future operations.

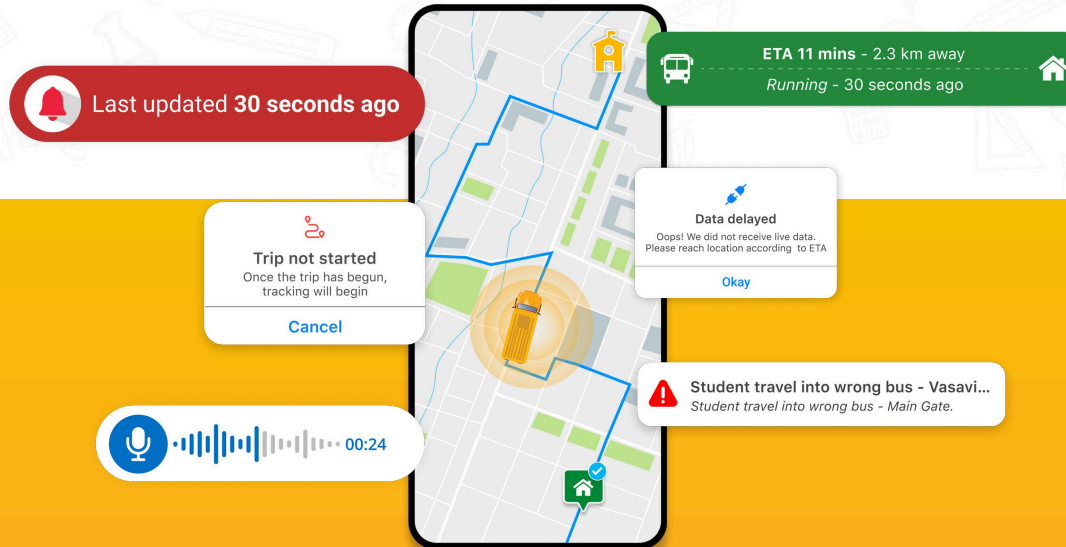

Get Insight With Our Powerful Reporting Tools!

Stay updated with Live Notifications!

Manage Drivers and Attendants

Detailed Profiles

Add and edit driver and attendant information, including contact details and employment status.

Allocation Status

See which drivers and attendants are assigned to trips and who is available.

Optimized Staffing

Efficiently assign drivers and attendants to ensure all trips are covered.

The screenshot displays the Manager App interface, which is divided into three main sections:

- Driver Details (Left Panel):** A form for adding or editing driver and attendant information. Fields include School (Ryan International School), Branch (Mumbai), Employee Designation (Driver/Attendant), First Name, Last Name (Patil), Employee Number (RIS 20170056), Tag Via (RFID/Number), Country (India), State (Maharashtra), City (Andheri), Zip Code (562 321), Street 1 (Azad Nagar), Street 2 (Behind yashraj studio), Contact Number 1 (89845 23654), Contact Number 2 (75698 56231), Verification via (OTP/Password), and Default Object Number (No Data Found).
- Driver/Attendant Allocation (Middle Panel):** A table showing the allocation status of drivers and attendants. The table has columns for Name, Designation, Allocated To, Mobile No, RFID, and On Trip. The table is divided into two sections: Allocated (502) and Not Allocated (42). The total count is 544.
- Map View (Right Panel):** A map showing the location of the school (Ryan International School) and the surrounding area. The map includes markers for various locations, including Gangotri Hospital, PCMC RTO, and various bus stops. The map also shows the location of the school and the surrounding area.

Complete Trip Visibility For Drivers

- **Trip Overview**
See all running, upcoming, and completed trips conveniently on one screen.
- **Streamlined Scheduling**
Drivers can easily manage daily schedules and track trip progress effortlessly.

- **Guided Navigation**
Drivers get step-by-step directions for each route to reduce delays

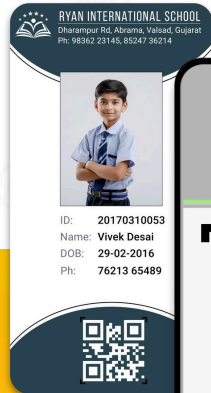

Efficient Management for Student Attendance

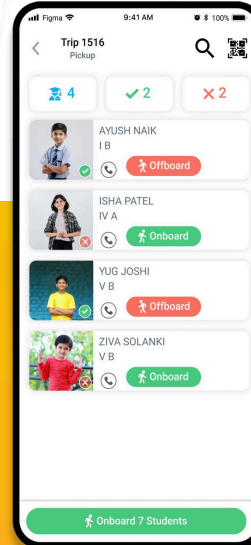

Attendance Marking

Drivers can mark student attendance using QR codes, RFID technology, or manual entry as per their flexibility.

Immediate Visibility

Gain instant access to student attendance and leave status.

Efficient Bus Switching for Drivers

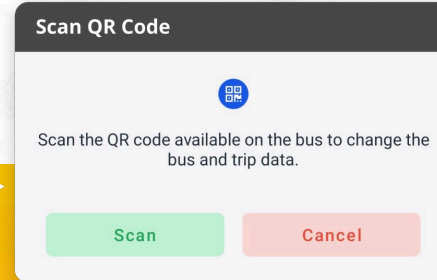

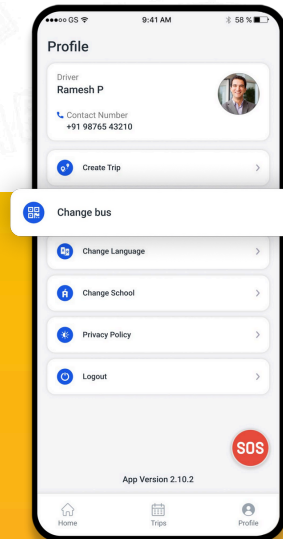

Simplified Process

Drivers can easily change buses in case of emergency by scanning a QR code on the bus.

Accurate Updates

Ensures that trip and bus data are updated instantly, preventing confusion and maintaining clear communication.

Track My Kid,

Track Child's Journey in Real-Time!

Single App for All Kids

Parents can track multiple child's school bus location using a single app.

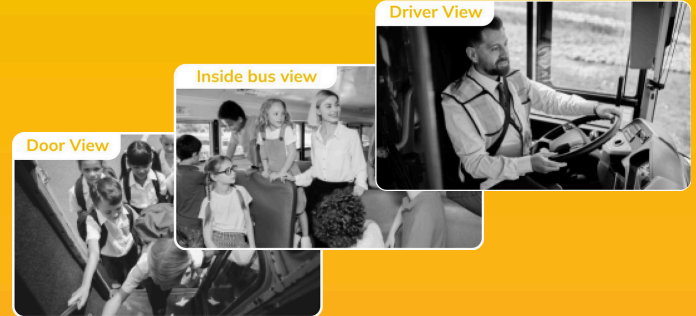

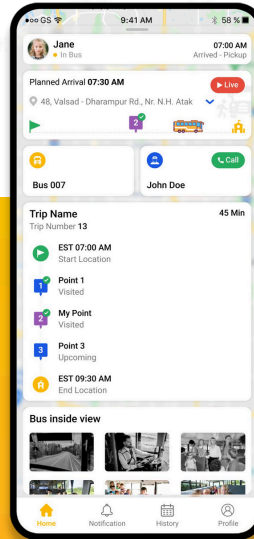

Live Updates

Get live bus location updates, to ensure the exact location of child is during their commute.

Video Access

Get live video feeds of child's journey, directly from the school bus.

Apply for Leave

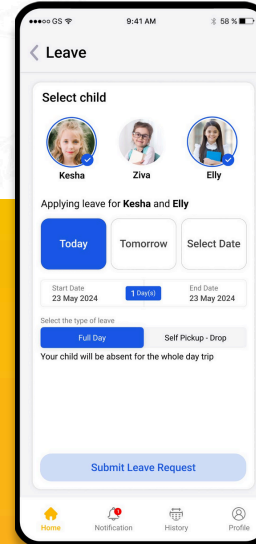

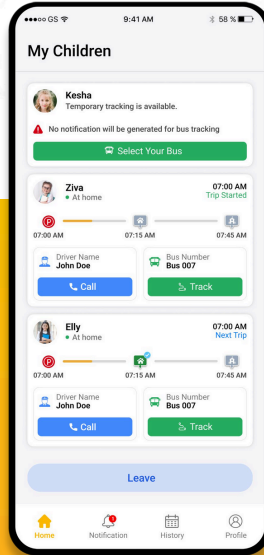

Easy Leave Application

Quickly apply for your child's leave right from the app. Notify the driver, ensuring smooth communication and planning.

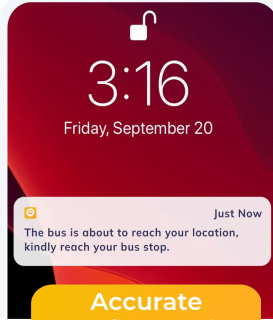

Detailed Leave Information

View detailed leave information, including the start and end dates, total days, and reason for leave.

Why Track my Kid bus app is the Smart Choice

**Accurate
Estimate of
Bus Arrival**

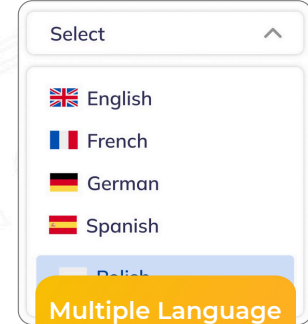

**ERP
Integration**

**Enhanced Student
Safety**

**Complete
Transparency**

**Multiple Language
Support**
